

HOLD HARMLESS AGREEMENT :
(H.O.A. and Permit)

I _____ was advised by Cactus Construction
&

Remodeling LLC that approval was needed for a _____ by the

homeowners association within my community. Cactus Construction & Remodeling LLC
also

recommended obtaining a permit through the City of _____

It is my decision not to do either of these, and agree not to hold Cactus Construction &

Remodeling LLC responsible for any legal repercussions and/or fines should they occur.

Should the City or Homeowners association require the structure to be removed I
understand this

will be at my own expense.
